Our Vision

As a Church of England school our historical roots are vital to our identity and we are committed in serving our community. As a Church of England School, we value all of God's children, and follow our vision of equality for all. We believe that at Whitley Memorial Church of England Primary we are one big family, the 'Whitley Family,' striving to support our children equally in their spiritual and personal growth alongside their academic development.

Our school motto of 'Let your light shine' comes from Matthew 5:16: 'Let your light so shine before all people, that they may see your good works, and glorify your Father which is in heaven.'

This voices our overarching belief that everyone, no matter what their starting point may be, has God given skills and talents and we passionately believe in working collaboratively with parents, learners, members of the community, our church (St Cuthbert's), educational partners and other professionals to ensure all children receive the very best start to their learning journey and have every opportunity to 'Let Your Light Shine.'

Core Values

Our core values are at the heart of our school ethos and Christian environment. These values form the scaffold of our half-termly Worship themes and are also taught explicitly throughout the school. Our values are: *Thankfulness, Trust, Perseverance, Justice, Service, Truthfulness, Generosity, Compassion, Courage, Forgiveness, Friendship and Respect.*

Statement of intent

This plan outlines how Whitley Memorial CofE Primary School aims to increase access to education for pupils with disabilities in the three areas required by the planning duties in the Equality Act 2010 (i.e. the curriculum, physical environment and information). As a Church of England School, we value all of God's children, and follow our vision of equality for all, to allow every child to let their light shine.

A person is regarded as having a disability under the Equality Act where they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities.

This plan aims to:

- Increase the extent to which pupils with disabilities can participate in the curriculum.
- Improve the physical environment of the school to enable pupils with disabilities to take better advantage of education, benefits, facilities and services provided.
- Improve the availability of accessible information to pupils with disabilities.

The above aims will be delivered within a reasonable timeframe, and in ways which are determined after taking into account pupils' disabilities and the views of parents and pupils. In the preparation of an accessibility strategy, the LA will have regard to the need to allocate adequate resources in the implementation of this strategy.

The governing board also recognises its responsibilities towards employees with disabilities and will:

- Monitor recruitment procedures to ensure that individuals with disabilities are provided with equal opportunities.
- Provide appropriate support and provision for employees with disabilities to ensure that they can carry out their work effectively without barriers.
- Undertake reasonable adjustments to enable staff to access the workplace.

The plan will be resourced, implemented, reviewed and revised in consultation with:

- Pupils' parents.
- The headteacher and other relevant members of staff.
- Governors.
- External partners.
