British Values Statement

At Whitley Memorial CE First School we value the diversity of backgrounds of all pupils, families and the wider school community.

The Department for Education states that there is a need:

“To create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs”.

The Department for Education defines British Values as follows:

“Respect for democracy and support or participation in the democratic process.

Respect for the basis on which the law is made and applies in England

Support for equality of opportunity for all

Support and respect for the liberties of all within the law

Respect for and tolerance of different faiths and religious and other beliefs.”

Our school reflects British Values in all that we do. We aim to nurture our children on their journey through life so they can grow into safe, caring, democratic, responsible and tolerant adults who make a positive difference to British society and to the world. We encourage our children to be creative, unique, open-minded and independent individuals, respectful of themselves and of others in our school, our local community and the wider world.

At Whitley Memorial, we actively promote British values in the following ways:

Democracy

All children are encouraged to debate topics of interest, express their views and make a meaningful contribution to the running of the school on matters that directly involve pupils through the vehicle of the School Council. Children also have the opportunity to have their voices heard through pupil surveys and class discussions.

The principle of democracy is explored in the curriculum, especially at the time of elections. Also, an election is used to choose the Whitley MPs.

Rule of Law

Our school follows Whitley Rules and half-termly “Core Values” which are integral to our learning, Worship and ethos, every day.

School rules and expectations are clear, fair, regularly promoted and shared with parents through the ‘Home/ School Agreement’.

Pupils are always helped to distinguish right from wrong, in the classroom, during Collective Worship and on the playground.

Pupils are encouraged to respect the law and The Whitley enjoys visits from authorities such as the Police, Fire Service, etc. to help reinforce this message

The Behaviour and Anti-Bullying policy set out a zero tolerance baseline for any form of aggression, abuse or violence, which extends to pupils, staff, parents and carers.

Individual Liberty

Within school, pupils are actively encouraged, and given the freedom to make choices, knowing that they are in a safe and supportive environment. eg. by signing up for extra-curricular clubs.

Pupils are supported to develop their self-knowledge, self-esteem and self-confidence.

Pupils are encouraged to take responsibility for their behaviour and our pastoral support reinforces the importance of making the right choices.

Pupils are encouraged to know, understand and exercise their rights and personal freedoms and are advised how to exercise these safely, for example through our e-safety teaching and PSHE lessons.

Vulnerable pupils are protected and stereotypes challenged. A strong anti-bullying culture is embedded in the school and any form of bullying is challenged and addressed. The school also operates a robust system of logging and reviewing incidents.

Pupils have key roles and responsibilities in school e.g. KS2 Buddies, Playleaders etc.

Mutual Respect and Tolerance of Those with Different Faiths and Beliefs

Whitley Memorial is a Church of England school where we promote the teachings of the C of E Church whilst supporting everyone along their own personal faith journey.

Respect is one of the core values of our school. The pupils know and understand that it is expected that respect is shown to everyone, adults and children.

Pupils are helped to acquire an understanding of, and respect for, their own and other cultures and ways of life.

Staff and pupils are encouraged to challenge prejudicial or discriminatory behaviour.

Links and visits are promoted with local faith communities and places of worship.

Through the PSHE and RE curriculums pupils are encouraged to discuss and respect differences between people, such as differences of faith, ethnicity, disability, gender or sexuality and differences of family situations.

Acts of Collective Worship and discussions involving prejudices and prejudiced based bullying have been followed and supported by learning in RE and PSHE.

We offer a culturally rich and diverse curriculum in which all major religions are studied and respected and global dimension work embedded in many of our Creative Curriculum topics. These curriculum topics offer children the chance to reflect on our School Mission, School Vision and British Values.
