Dear Whitley Family,

At last the sun has made an appearance! It has been lovely to see the children outside playing on the adventure playground, let's hope it warms up a bit too.

Earth Project

Monday was Earth day and at The Whitley we are doing a recycled art project to celebrate this. We have been learning about how to take care of our planet and we are challenging children to take part in a show and tell on Friday 3rd May. We would like children to find something used and make something new from it. It could be anything from using a cereal box to make a picture frame or turning a can into a pencil pot. They could make a collage from recycled materials -the possibilities are endless. We can't wait to see what you come up with.

Breakfast Club

A big thank you to all the parents and children who are now using the Barrington Court gate to come to Breakfast Club. We appreciate your cooperation in this to help safeguard the children while they walk into school.

Chewing Gum

We are noticing a lot of children are bringing chewing gum into school. We do not allow chewing gum to be brought in or chewed in school.

Parent Readers

We are looking for parents/grandparents to come in to school and hear some of our children read. If this is something you would be willing to do please contact the school office.

Parent Governor

We still require a parent governor, if any parents are interested and would like to find out more about what the role involves, Chris Peart or Kelly Johnson would be more than happy to talk to you about this.

School Uniform Bank/Salvation Army

We have spare school uniform in the school porch and there is a School Clothing Bank shop situated at the top end of the high street next to Boots.

If parents need support with food parcels the Salvation Army can help with this.

Have a good weekend

Mrs Gray
