

Year group: 4

Time Allocation: 1/2 term

Date: Autumn Term 1 -2018

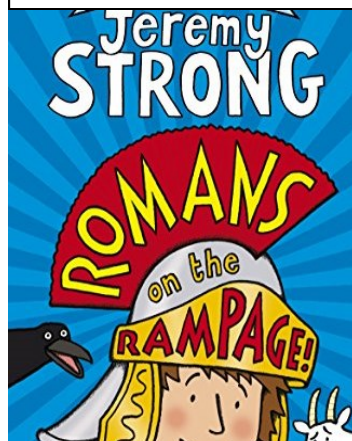

Teachers: Mrs Gray & Mr Blackburn

Literacy: We will be using our core text 'Romans on the Rampage'- Jeremy Strong:

To improve understanding and comprehension of a specific text
To read a section of a novel closely for a specific purpose
To broaden vocabulary and understand simple Latin words
To combine text, pictures, images, captions and font size to present specific information
To create a newspaper article using appropriate linguistic and stylistic conventions
To understand and use the linguistic conventions of certain text types

ROMANS ON THE RAMPAGE

Maths:

In Maths we will be learning about place value and how to read numbers to tens of thousands using Maths No Problem. Also we will be ordering numbers and adding and subtracting 10, 100 and 1000 from a number. We will be solving problems and reasoning using our knowledge and understanding of place value.

Science: States of Matter

As scientists we will be identifying, naming and discovering the properties of solids, liquids and gases. We will be carrying out investigations to learn about how materials can change state. We will also learn about the water cycle.

Computing:

We will be learning about e-safety and keeping ourselves safe online. We will also be learning how to use search engines effectively and safely so that we can research the Romans.

WHY?

The children will learn how to use research skills to find out information about the effect the Roman invasion had on modern day Britain.

Core Value:

Generosity

S.M.S.C

Following the example of Jesus, together we explore the Christian Understanding that all that we have comes from God as 'gift'.

History: (Visit: Segedunum Roman Fort)

We will be learning about the Roman Empire and its influence on Britain. We will study the lives of Queen Boudicca and Julius Caesar.

Geography:

We will be mapping the Roman invasion of Europe. Also we will use maps of the Roman Wall area to develop our geographical skills.

Art and design: We will be examining Roman mosaics and pottery and recreating our own.

Design & Technology:

As Design Technologists we will be researching, designing, making and evaluating Roman and Celtic shields.

French: Names of classroom objects and translating Fairy Tales.

PSHE: Thinking, feeling, doing- relationships

RE: We will be exploring the 'Kingdom of God'. We will also study 'God, David and the Psalms'.

Music: As musicians we will be learning, evaluating and composing Roman marching songs and songs that tell a story.

PE: Chillingham class: In our games lessons we will be learning games skill, such as hockey and basket ball, and how to work as a team.
Lindisfarne class: At swimming will be learning how to swim.
