OUR SUMMER HOUSE

We were all really sad about what happened to the summer house. Thank you so much for your support and concern. We cannot make firm plans yet as we are waiting for insurance confirmation. Please be assured that there will be a new structure early on in the autumn term to make the most of the good weather. The council is looking at funding CCTV cameras to protect the site and we have had a generous offer to supply and build a summer house. Thank you for your book donations - we will let you know if there is any more you can do to help.

BARNARDOS BIG TODDLE
