

Year group: 4

Time Allocation: 1/2 term

Date: Autumn 1 2022

Teachers: Mrs Martin, Miss Masterson, Miss Smith and Miss Highgate

Year 4 Curriculum

English/Communication:

As communicators, we will be learning to think carefully about the different ways we speak to different people and how we must adapt to suit the needs of the listener. As readers, we will continue to develop our skills in reading with fluency and understanding. We will focus on a variety of texts including the BFG by Roald Dahl which we will use to inspire our writing. We will learn about, plan and write for a variety of purposes encouraging the children to use their imaginations to the fullest. We will be focusing on our spelling of Common Exception Words and asking the children to consider these carefully in their writing.

Maths: NCTEM

This half term we will be revisiting column addition and subtraction of 4-digit numbers. We will also be focusing on Place Value and numbers up to 10,000. We will be learning addition and subtraction facts and solving problems. We will also be building fluency when recalling the x3 and x6 tables.

PSHE: SCARF: Unit 1 Me and my relationships

We will be learning about what is meant by a 'positive, healthy relationship'. We will identify a wide range of feelings and begin to recognise that different people can have different feelings in the same situation.

Computing:

We will be learning more about computer systems and networks, specifically the internet and continuing to stay safe online.

MFL: French

We will be revising the days of the week through the use of the French version of 'The Very Hungry Caterpillar'. We will begin to learn French terms to describe the weather.

Learning Together

Please ensure that your child reads regularly at home. Weekly homework of Maths and grammar will be given out on a Thursday and to be returned by the following Wednesday.

Core Value: S.M.S.C

We will think about ways we can give to others and help those in need.

Generosity

If you require any further information about the Year 4 curriculum please visit the curriculum page on our school website or see a member of the Year 4 team

Miss Highgate, Miss Smith, Mrs Martin & Miss Masterson

History: Romans

As historians, we will be learning about the Romans, finding out about Emperor Claudius and why he invaded Britain. We will describe what a gladiator was and learn about the gladiatorial games.

Art and design: Drawing: Power Prints

As artists, we will develop an awareness of proportion, composition and pattern in drawing and combine media for effect when developing a drawing into a print.

Science: What is Sound?

As scientists, we will be learning how sounds are made. Recognising that vibrations from sounds travel through a medium to the ear which get fainter as the distance from the sound source increases.

Design & Technology: Electrical Systems

As design technologists, we will be learning about electrical items and how they work. We will also design, make and evaluate our own torch.

RE: Understanding Christianity How and why do believers show their commitments during the journey of life? We will begin to make links between ideas of love, commitment and promises in religious and non-religious commitments.

Music: Charanga

As musicians we will be the words to the famous Abba song 'Mamma Mia' looking at the pulse and rhythm within the song. We will also learn how to accompany the song with a variety of musical instruments.

PE: Real PE: Unit 1

We will be developing our skills in static balance, coordination in footwork working up to taking part in a footwork assault course. Our PE lessons will take place on a Thursday and Friday so please remember to have your PE kit in school on those days.
