CHILDREN IN NEED

We raised £318.00 last week - Pudsey says a BIG THANKYOU!!

POPPY APPEAL

We raised £105 for the work of the Royal British Legion. Thank you for your generosity.

A PAT ON THE BACK!

A member of the school governors wanted to pass on a huge thank you and tell you how many people commented on the brilliant behaviour of all children, including The Whitley, at the Remembrance Parade in Bedlington. Well done!

FASHION GLASSES

Please can children not wear fashion glasses to school as one child fell when wearing them and had a nasty accident. Obviously prescription glasses must be worn.

JULIA JARMAN - CHILDREN'S AUTHOR

We are really excited about having Julia Jarman in school tomorrow to talk to the children. Don't forget, if you have a Julia Jarman book you can bring it into school for her to sign.

SAFEGUARDING - CONTACT NUMBERS

Children should have 3 emergency contact people/numbers on file in school. If you have less than this please send in more contacts - it is essential we can reach you in an emergency.

DAMAGE TO CARS

Please can parents watch their children as they walk past the staff cars as recently we have had scratches to paintwork and a windscreen wiper was nearly bent off.
