This week has been bursting with awe, joy and Whitley spirit — a true celebration of the vibrant community we are so lucky to be part of.

Our adventurous Year 2s had the most magical time on their trip to the aquarium and beach! From the moment they stepped through the doors, their eyes lit up with wonder especially when sharks swam over their heads in the glass tunnel.

I've heard about all the fish, with the biggest highlight being Dory! After exploring the ocean world, the children enjoyed delicious ice creams in the sunshine and a joyful splash in the sea — a perfect way to end a spectacular day.

A huge thank you to Miss Smith, Mrs Townsend and all the staff who made the trip so special and memorable for our children.

Meanwhile, our fabulous Year 1 children had a wonderful day at Whitehouse Farm! They embraced the farm with smiles, gently feeding and handling a variety of animals. There was a particularly memorable moment (and some giggles!) when Mrs Lumsdon bravely hosted a snake on her lap. Thank you to Mrs Day and the dedicated staff who made it a day full of learning, laughter and lovely memories.

In EYFS, our little ones experienced the wonder of life itself as they released their butterflies into the big wide world. Having carefully observed them grow from tiny caterpillars, the children were full of awe as they watched them flutter away.

And finally, today's worship was filled with pride and celebration as so many children let their lights shine by sharing an incredible array of out-of-school achievements. We absolutely love hearing about all the ways our children are growing, learning and shining beyond the classroom. You make us proud every single day.

Wishing all our families a restful and happy weekend!
