This is just a quick reminder to check your child's Tapestry account regularly.

There will be some lovely observations on Tapestry that you will want to see. We know you will really enjoy sharing and talking about them with your child.

When you have had a look, please like them or write a comment.

It would also be amazing if you could add an observation, using either a photo or a video so we can share in all the lovely things you do at home.

If you are having any problems, please pop in and we will try and sort it out for you.

Thank you everyone

EYFS Team
