

Year 1 - Summer 1 2026

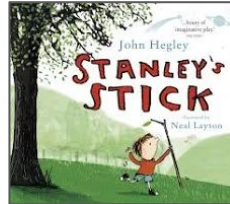

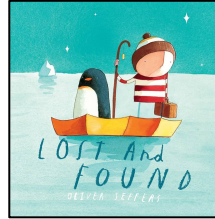

English: As writers, we will begin by exploring the story 'Lost and Found' by Oliver Jeffers, using it as inspiration to write our own story from the penguin's perspective. Later in the term, we will study 'Stanley's Stick' by John Hegley and use the themes from the story to help us write a scientific report.

Maths: As mathematicians, we will be counting in steps of 2, 5 and 10. We will begin to recognise multiplication as equal groups and learn how to divide through grouping or sharing. We will also begin our work on fractions, finding a half and a quarter of a given shape, object and quantity.

Science: Animals, including humans

As scientists, we will be able to identify and name the parts of the human body and face. We will know what the 'five senses' are and be able to describe how we use them. We will know which body part is used for each sense.

RE: What is the 'good news' Christians believe Jesus brings? We will learn about how Christians believe Jesus brings good news to everyone, showing God's love, forgiveness, and friendship to those in need.

Our core value this term is:
LOVE

*John 15:12:
"Love one another as I have loved you"*

Teachers: Miss Highgate and Miss Smith

Humanities: Geography: Our street
As geographers, we will plan and carry out an investigation about our local area.

Art: Painting and mixed media: Colour Splash
As artists, we will learn how to mix primary colours to create secondary colours and use these to create a plate.

ICT: An introduction to digital art
We will explore a range of key digital art design skills and tools.

Music: Your Imagination
As musicians, we will learn how to sing and perform the song 'Your Imagination'.

PSHE: Being My Best!
We will learn about the importance of eating a balanced diet and taking care of our personal hygiene.

PE: Gym and NUFC
We will work with an NUFC coach to develop our skills in attack and defence. We will also learn gymnastics,
