Year 4 - Autumn 1 2026

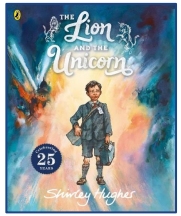

Teachers: Mrs Teasdale & Mrs Martin

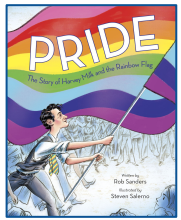

English -This term, we will develop our narrative writing skills by creating detailed, atmospheric setting descriptions inspired by The Lion and the Unicorn by Shirley Hughes. We will explore how writers use setting, emotion and vivid imagery to bring a story to life. Later in the term, we will move on to biographical writing, using Pride: The Story of Harvey Milk and the Rainbow Flag by Rob Sanders to help us understand how to research real people, organise information clearly, and write about someone's life and achievements with accuracy and respect.

Maths - As mathematicians, we will develop our understanding of number and place value before moving on to develop our addition and subtraction skills.

Science - As scientists, we will explore the states of matter. We will investigate the water cycle and learn about the scientists - Celsius and Fahrenheit.

RE - In RE, with the help of Theo the theologian, Livvy the social scientist and Sophie the philosopher will investigate what it means to live as a Sikh in Britain today.

Our core value this term is **Resilience**

Galatians 6:9: "Let us not grow weary of doing good, for in due season we will reap, if we do not give up."

Humanities- As historians we will be examining how children's lives have changed over time by investigating leisure, health and work in the past.

Art, Design & Technology - We will learn a basic biscuit recipe and adapt it for a new audience while considering the cost of ingredients.

ICT - We will get to know our way around a keyboard and develop our word processing skills.

Music - As musicians we will be exploring body percussion and tuned instruments with a rainforest theme.

PSHE - Me and my relationships: We will explore positive healthy relationships and learn how our feelings are linked to physical health..

French - Portraits: describing in French

PE - This half term we will be learning about team games with NUFC and swimming on a Friday.
