Year group: 6	Time Allocation: 1/2 term	Date: Autumn Term 2—2026	Teachers: Miss McVicar

English: This term in English, children will study two key texts to develop their writing skills. Through The Tiger Rising, they will make predictions, describe settings and characters, write dialogue that moves the story on, and create their own narratives using symbolic features. Using My Story of Standing Up for Girls' Rights by Malala Yousafzai, children will learn to identify and structure a balanced argument, link paragraphs, explore pros and cons, and write a speech with a clear introduction and conclusion that shares their own viewpoint.

Maths: Children will develop their understanding of algebra, using symbols and letters to represent unknown values and solve problems. They will also explore the links between fractions, decimals and percentages, learning how to convert between them, compare values and apply their knowledge to a range of problems.

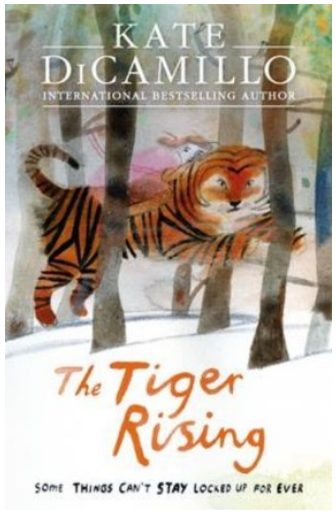

Science: Evolution & Inheritance

Children will recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago. They will also recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents

- Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

Computing: Exploring AI - Children will explore computing systems and networks, with a focus on Artificial Intelligence (AI). They will learn how AI works, where it is used in everyday life and consider its benefits, limitations and responsible use.

AUTUMN 2

Core Value:

Respect

If you would you like any more information about our curriculum, please do not hesitate to get in touch.

Geography: Children will investigate **longitude and latitude**, using North and South America as a focus. They will use coordinates to locate countries, cities and key geographical features, developing their understanding of global position and location.

Art: Painting and mixed media.
During this unit, children will study a variety of Artists. They will then practise the techniques used by the artists, applying them to their own work.

French: Sport
Children will continue to understand key sporting vocabulary in French and how to create sentences and paragraphs.

PSHE: Valuing Differences

Using the SCARF framework we will exploring differences and stereotypes and learn how to value differences.

RE: What does it mean for Muslims to follow God?
Children will continue to explore the big question.

Music: We will use Charanga to support our music learning this half term.

PE:
Dance and will be explored within PE with our NUFC coach.
